IN RE:  EAGLE COMMUNICATIONS OF IOWA, INC.	DOCKET NOS. TCU-99-36 SPU-01-6
	CERTIFICATE NO. 0206

**CANCELLATION OF CERTIFICATE**

(Issued June 19, 2001)

On January 7, 2000, the Utilities Board (Board) issued an order approving the application of Eagle Communications of Iowa, Inc. (Eagle), to provide local exchange service in Iowa and granting Eagle a certificate of convenience and necessity, Certificate No. 0206. The order was issued in Docket No. TCU-99-36. On June 6, 2001, Eagle filed a request to surrender its certificate. Eagle stated that it does not intend to conduct telecommunications business in the state of Iowa at this time. Eagle also stated that it has not provided service since receiving the certificate and has no customers in Iowa.

The Board will cancel the certificate as requested. Eagle has stated that it has no customers and does not intend to do business in Iowa at this time. Board rule 199 IAC 22.16(2) states that a company must file notice of intent to discontinue service 30 days prior to discontinuance where it shows it has no customers. Eagle states that it wishes to discontinue service on May 30, 2001, but the discontinuance will not

become effective until July 6, 2001. The Board will by this order cancel Certificate No. 0206.

**IT IS THEREFORE ORDERED:**

Certificate No. 0206 issued to Eagle Communications of Iowa, Inc., to provide local exchange service is canceled.
